

POLYPIPE BUILDING PRODUCTS

VACANCY

MANUFACTURING DIRECTOR

Polypipe is one of Europe's largest and most innovative manufacturers of plastic piping systems for residential, commercial and infrastructure sectors. We are currently looking to recruit a Manufacturing Director to develop strategic and operating plans to ensure the optimisation of manufacturing in the supply chain to deliver exceptional customer service.

It is essential that the successful candidate demonstrates the ability to lead and develop our experienced and capable team through the next phase of the business development plan, analysing our manufacturing model, and in conjunction with the team and our partners in the supply chain drive out all non-value adding activity using lean management techniques whilst maintaining focus on our customer's needs.

With the ability to establish appropriate processes for manufacturing management including, the identification of new manufacturing technology and techniques that support and transform existing production and New Product Development initiatives to ensure Polypipe remains the market leader. It is also essential to lead and optimise our Continuous Improvement programme using the appropriate Lean Manufacturing techniques to accelerate our journey toward world class manufacturing.

This will require ambition, persistence, resolve and a demonstrable 'can do' attitude that both colleagues and customers can buy into.

This is an exciting challenge to play a significant role in the development and progression of Polypipe Building Products. A competitive salary, bonus structure, company car and other company benefits will apply for the right candidate.

If you have a minimum of 5 years senior manufacturing management experience in the plastics industry, combining significant people management with a proven track record in multi-site operations manufacturing a large number of SKU'S and experience in extrusion, injection moulding and tool making with in depth knowledge of a wide variety of commodity and engineering polymers please send your application, in writing or by email, with a current CV and a brief summary outlining why you would be the right person for this challenging role to:

Zena Wardle, HR Manager, Polypipe Building Products, Broomhouse Lane, Edlington, Doncaster, DN12 1ES or email: zena.wardle@Polypipe.com

Closing Date: Tuesday 24 July 2018

If you are applying for this position, out of courtesy please inform your manager.
